

2020 Keep Delta White

Sacramento Delta, California

Winemakers Jack Roberts (Matthiasson Wines Assistant Winemaker) and Johanna Jensen (formerly with Scholium Project and Broc Cellars) have come together to create wines influenced by the old world with less ripe fruit, minimal manipulation and great ageability. In the vigneron tradition, they do much of the work themselves from vineyard to bottling. The crest on the bottle is of Beverstone Castle, an 11th century Norman stronghold in Gloucestershire, England where Jack's father was born and raised. All that remains of Beverstone today is what you see on our label — the moat and the tall 'keep', (from the middle english kype, or barrel) which was the defenders' last resort in a siege. It was also where they stored their most precious possessions, especially their wine.

NOTES & PAIRINGS

From the Lost Slough Vineyard, right next to the Sacramento River Delta, hence the name. The cooler air and loamy soil from the Delta give this wine a rare minerality not seen in most California white grapes. Stainless Steel fermented, sur lie aged for 6 months before bottling. Honeysuckle flower on the nose with a stunning stone fruit finish, river rocks on the palate. Native yeast fermentation, unfiltered.
